

TUNXIS HOSE COMPANY, NO. 1
Unionville Fire Department
P. O. BOX 215
UNIONVILLE, CONNECTICUT 06085

PRESS RELEASE

July 20, 2011

Tunxis Hose Company No. 1 of the Unionville Fire Department announces a food drive to benefit the Farmington Food Pantry in response to their urgent request for food and personal care products.

Due to increased demand and the summer months in which children do not have access to their schools' breakfast and lunch programs, the Farmington Food Pantry is requesting personal care items like soap, toothpaste, toothbrushes, deodorant, laundry detergent, feminine products, etc; healthy snacks and juices for kids; cereals and oatmeal, tuna fish, condiments, juices, and paper goods. (No soup, pastas, or macaroni and cheese.)

These items may be dropped off at Tunxis Hose Station, 11 School Street, Unionville, Monday through Friday from 7 am to 5 pm, and any other time you see the firehouse open on nights and weekends. Monetary donations may be made payable to the Farmington Food Pantry and mailed directly to The Farmington Food Pantry, Amistad Hall, 75 Main Street, Farmington, CT 06032.
